Professional quality for your office printing needs

Best-in-class print quality

With HP's cutting edge colour printing technology, businesses can take full advantage of colour printing to create impactful documents and sell their ideas more effectively. Also, business communication materials can be easily produced in-house for added flexibility and cost-savings.

Energy saving technology

The HP LaserJet portfolio features innovative energy saving features and management tools designed to lower energy costs and reduce environmental impact. Save energy with HP Auto-off technology – intelligence that can turn off the printer when not in use.

HP Technologies

HP ePrint. Now print from your smartphone or tablet from virtually anywhere.¹

Whether you are a user of mobile device or personal computer, with HP ePrint you can print from anywhere without using drivers and cables.

Print perfectly formatted Web content directly from your HP ePrint-enabled printer without being connected to a PC. HP Print Apps are special print applications which connect your printer to a vast library of content including kids' activities, assessment worksheets, news, business tips, self-help guides, recipes, and more - all delivered directly to your printer for free7, exclusively from HP.

HP Auto Wireless Connect²

Simply turn on the printer, insert the software CD into your WiFi connected PC and the printer is automatically connected.

must be included)

Step '

(P)

stated below.

Step 3

- Requires an Internet connection to the printer. Feature works with any connected Internet- and email-capable requires an interiner connection for the primer, reported documents, and image types, see www.hp.com/go/ device. Print times may vary. For a list of supported documents, and image types, see www.hp.com/go/ epith enter a dditional solutions, see www.hp.com/go/mobile-printing-solutions.
- dependent upon physical environment and distance from access point. For information on compatibility, visit
- Not available on all printers. Mobile device must be wireless-enabled. Printer must be HP ePrint-enabled. Feature may require driver or apps, available for download at www.hp.com/go/eprintcen

Easy wireless printing from your mobile device without a

Enjoy HP Wireless Direct Printing from your WiFi capable smartphone and other mobile devices without needing to connect to any network.^{2,3}

Easily connect up to 5 users with optional networking

Scan photos to email4,6

You can now scan your documents or pictures and send directly to your email or other recipient's mails for efficient file sharing.

Easier with touchscreen and gesture control

With a simple swipe and touch on touchscreen, you can access and print web content directly from the printer.⁵

Wireless performance is dependent upon physical environment and distance from access point Requires a wireless access point and an Internet connection to the printer. Services may require registration. Apps availability varies by country and language. For details, www.hp.com/go/ePrintCenter. Compatible with most popular email services. Check www.hp.com/go/eprintcenter for more information.

PrintApps require a wireless access point and an Internet connection to the printer. Services require registration App availability varies by country, language, and agreements, and may require a firmware upgrade. For details, www.hp.com/go/ePrintCenter. Not all apps can be set up for automatic delivery and not for all printer models.

Versatile paper handling

With the Automatic Document Feeder, simply load up loose sheets for scanning or copying. Also equipped with double-sided printing capability to help you print on both sides of the paper automatically.
